## **PEDC Incentive Caps and Estimated Costs**

Up to \$20,000 will be made available for the incentive fund on an annual basis beginning October 1 and expiring September 30. The fund will be reviewed on an annual basis by the PEDC Board and will be part of PEDC's annual budget process. The fund is available based on a first come, first serve basis and a review/approval of the production project by senior PEDC staff. The incentive is available upon completion of the production and an independent audit.

## **Other Guidelines**

1. Any monies not used in a calendar year cannot be rolled over into the next year.
2. The expense of hiring a qualified 3<sup>rd</sup> party firm to manage verifications and accounting of this incentive program is included in the totals allocated each year and not in addition to it.

## **Areas of production which qualify for local spending:**

- Any crew that is hired locally and is paid, not volunteer
- Labor
- Rentals
- Purchases
- Hotels
- Gas and Oil
- Catering
- Craft service
- Gratuities
